DASHBOARD

Improved display checklist score

The display of the score in the PDF of a Checklist has been adjusted so that you can read it at a glance.

ANALYTICS

Soon: New Checklist board

The Checklist board in Leviy Analytics has been optimised to support data-driven decisions even more effectively. We'd love to hear what you think!

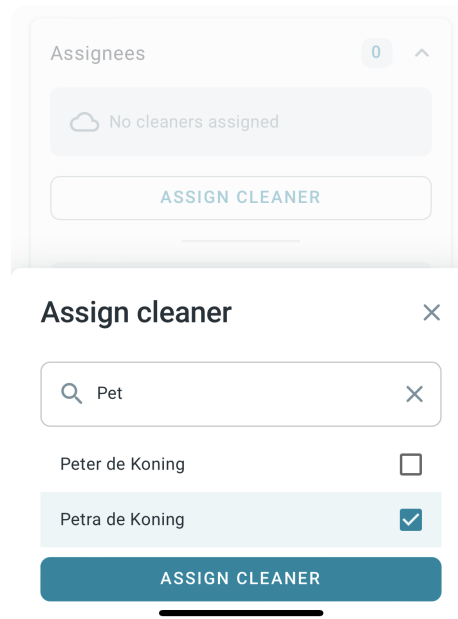

I would like to give feedback

A P P

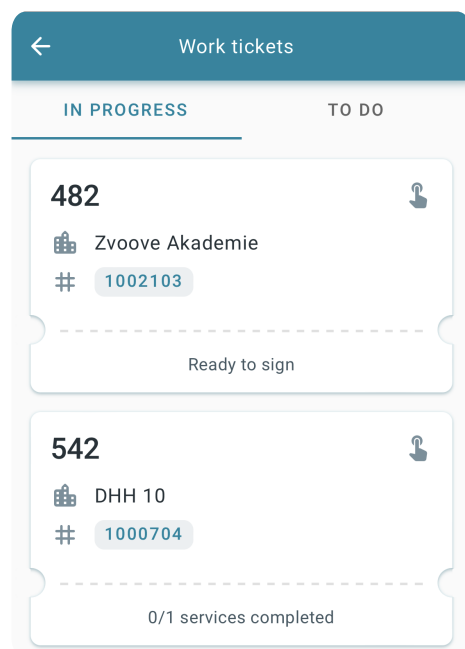

Assigning employees renewed

The assignment of cleaners and inspectors has been given a new look. The search field helps you find the right employee a lot faster.

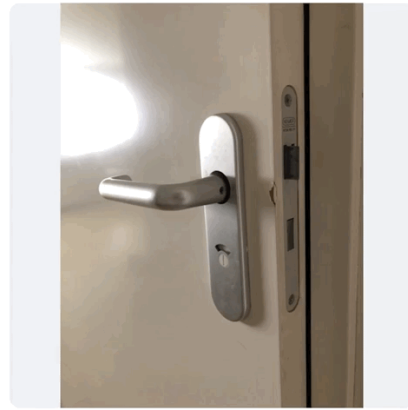

Total overview work tickets

You can now find the work ticket for all objects in one overview. This makes your to-do list even clearer!

Annotate work ticket photos

When you carry out an assignment from a work order, you can add photos as evidence. You can now mark deviations by means of a digital marker.

Soon a new Planning board

I would like to sign up for the training

See you next release
