## Cleaning

### Cleaning status periodic tasks screen

To easily display whether the regular cleaning tasks have been completed, the cleaning status per unit is shown on the periodic tasks screen.

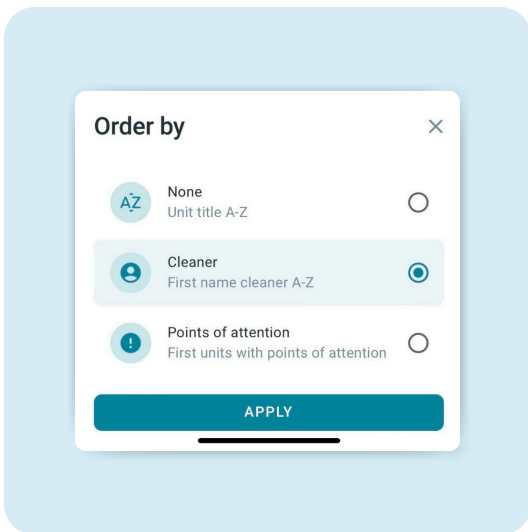

**Good to know:** Completing the periodic tasks does not affect the cleaning status, the status is only linked to the regular cleaning tasks.

## Cleaning

### Duplicate work schedule

An existing work schedule can now be duplicated. This means that the start date does not affect the end date of the original work schedule.

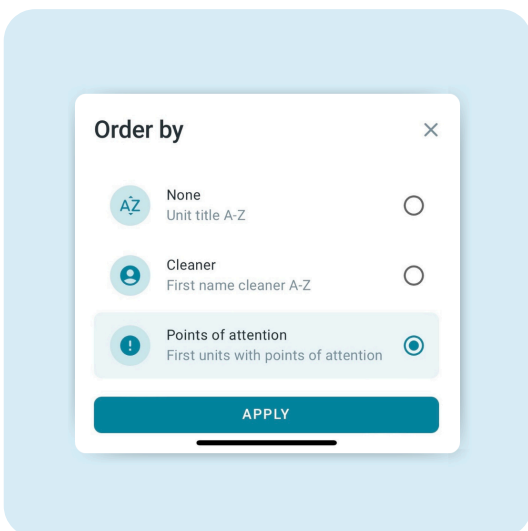

## Cleaning

### "Order by" clarified

To clarify sorting units by assigned cleaner, the options will now be displayed. This feature is only available for supervisors or higher.
